NOTE.

STATISTICAL DIVISIONS.

In this Part, Marriages, Births, and Deaths have been shown by Statistical Divisions. The Statistical Divisions are groups of local authority areas. Their grouping and details for each area are shown in the tables of Births and Deaths (Tables 12 and 19).

The deaths as recorded for the year 1944 exclude deaths of Defence Personnel and of Internees and Prisoners of War from overseas, and therefore relate to Australian resident civilian population.

In tables of Deaths and Hospital Cases, where dissection into tropical and sub-tropical has been made (Sections 5 and 7), the Statistical Divisions have been grouped as follows :—

North of Tropic, Coastal—Includes Mackay and Townsville, Cairns, Peninsula, and northern portion of Rockhampton (local authorities of Rockhampton, Broomsound, Fitzroy, Livingstone).

North of Tropic, Inland—Includes North Western, northern portion of Far Western. (local authorities of Boulia, Winton), and northern portion of Central Western (local authorities of Aramac, Belyando, Longreach, Peak Downs).

South of Tropic, Coastal—Includes Moreton, Maryborough, and southern portion of Rockhampton.

South of Tropic, Inland—Includes Downs, Roma, South Western, southern portion of Central Western, and southern portion of Far Western.
